Greetings friends, I had originally penciled in an Hollywood 4WRD meeting for next Monday, September 21 at 3 p.m. (Don't have a location yet.)

However, I'm wondering if there are any pressing agenda items that would warrant a full group meeting this month. We could wait until October.

I know there are several smaller groups who have been meeting - esp. around some DMH initiatives, and the HHOT Team, Health Neighborhoods and CES. I want to be sensitive to how many meetings we are all called to attend.

Please let me know thoughts - or if you have any agenda items that could be saved until October.

Kerry
